With regards to:

The November 5<sup>th</sup> LAFCO meeting, agenda item 4:

Municipal Service Review of the Isla Vista Community Services District Regarding Latent Powers

I would like to add this statement to the record.

I am a long term resident and homeowner in Isla Vista, and for the following reasons:

1. I believe we are being redundantly taxed for services already delivered by the county of Santa Barbara.
2. There is very little support for the IVCSD among long term residents of Isla Vista.
3. There are no apparent benefits derived from the activities of the IVCSD for the resident community of Isla Vista.

I would like to voice my support for option 3.

DENY the Staff recommendation or any other proposal to extend the time and direct Staff to proceed with the municipal service review in compliance with the Condition 11 of the Resolution of the Formation.

Thank you,

Dennis Adderton
