Subject: support of Letter of Concern regarding AB-3

Dear Members of the Commission,

I would like to register my support for the Letter of Concern drafted by Commissioner Farr regarding AB-3. I will not be able to attend the LAFCO meeting on February 19, 2015, hence this email.

I have been a resident of Isla Vista for 47 years (since 1967 when I started at UCSB). My primary concern with AB-3 is the possibility that Isla Vista will become governed mainly by the transient student population.

Thank you for your time.

Best regards,
