Consider Options for Dissolving the Santa Rita Hills Community Services District

Dear Members of the Commission

RECOMMENDATION

- 1) It is recommended that the Commission Consider the Dissolution Options and Provide Directions to Staff.

DISCUSSION

At the April 7, 2016 meeting the Commission requested that staff return with dissolution options for the Santa Rita Hills Community Services District (SRHCSD). The Commission is well aware if the history of this “inactive district.”

Staff has reviewed the options, which are set forth below:

1. Special Legislation to Dissolve the SRHCSD
2. A Reorganization Proposal to dissolve the district and form a successor agency such as a County Service Area (CSA) or some other district with road construction and maintenance powers.
3. Request the Board of Supervisors to act as the Board of Directors, either on a temporary or permanent basis.
4. Wait until the SRHCSD has enough Voters to elect a Board of Directors

Please contact the LAFCO office if you have any questions.

Sincerely,

PAUL HOOD
