January Meeting Schedule

Dear Members of the Commission:

RECOMMENDATION

It is recommended the Commission consider whether to meet on January 6.

DISCUSSION

Regular Commission meetings are held the first Thursday of each month, which raises a question of whether to meet this January.

The date of the meeting, January 6, is only two days after the first Board of Supervisors meeting with its new membership. Assuming the Board appoints a member to replace Gail Marshall on LAFCO, there will be very little time for that individual to study the agenda packet.

At this time there does not appear to be much pressing Commission business. No boundary change proposals are ready for hearing in early January. If the Commission wishes to cancel the meeting it should not create a processing problem. If it becomes necessary a special meeting can be called for later in the month.

This is a matter of choice for the Commission. Please contact the LAFCO office if you have any questions.

Sincerely,

BOB BRAITMAN
Executive Officer
