Appointment or Reappointment of Public Member

Dear Members of the Commission:

RECOMMENDATION

It is recommended that the City, County and Special District Members of the Commission reappoint Public Member Tom Umenhofer for a four-year term of office through May 5, 2008 or begin the process to select and appoint a new Public Member.

DISCUSSION

Members of the Commission are appointed to four-year terms of office and may be reappointed. Government Code §56325 states the Commission membership includes:

(d) One representing the general public appointed by the other members of the commission. The other members of the commission may also designate one alternate member who shall be appointed and serve pursuant to Section 56331. Selection of the public member and alternate public member shall be subject to the affirmative vote of at least one of the members selected by each of the other appointing authorities.

The Commissioner Handbook says the following about the selection of public members.

5. Selection of Public members

Government Code Section 56325 requires that selection of the public and alternate public members be supported by at least one of the members in each of the other categories, i.e., City, County and Special District members.

The method for selecting Public members is determined by the regular City, County and Special District members. They may reappoint the incumbent public member or alternate public member without recruitment.

If they choose to recruit for a public member or alternate public member the following procedure is used:

- a. There is a public announcement of the vacancy to solicit letters of interest.
- b. A committee appointed by the Chairman consisting of a City member, County member and Special District member screens applications and letters of interest.
- c. The finalists are interviewed by the Commission.

Commissioner Umenhofer was first appointed to the Commission as Public Member in 1993 and was reappointed to subsequent terms of office. Alternate Public Member Penny Leich was first appointed in 1991 and has been reappointed to subsequent terms. Her present term is scheduled to expire in May 2007

Please contact the LAFCO office if you have any questions.

Sincerely,
