Commission Attendance at CALAFCO Conference, September 24-26

Dear Members of the Commission

The Annual CALAFCO Conference is an excellent opportunity for Commissioners to exchange information with members of other LAFCOs, hear the latest news from Sacramento and improve the quality of LAFCO procedures with information provided by speakers and panel discussions.

It is a time of transition for LAFCOs and local government. I anticipate that the Conference –to be held from Wednesday to Friday, September 24-26 in San Francisco - will be of great value and I encourage members of the Commission to make plans now to attend.

Last year's Conference in Santa Barbara was a big draw. The Conference hotel ran out of rooms at the conference rate. For this year's conference CALAFCO has negotiated favorable room rates (especially for San Francisco) at the Crown Plaza on Union Square. We plan to reserve rooms early and request that you inform the staff if there is a possibility of you attending.

If you have any questions please contact the LAFCO office.

Sincerely,

BOB BRAITMAN
Executive Officer
